REMARKS:

(DMV use only)

**NAME AND ADDRESS REQUIREMENTS**

DMV uses a customer based file. This enables us to link all types of DMV records together for a customer. It is important that you use your customer number and the same name when conducting business with DMV. In the case of individuals, the person's date of birth (DOB) is also important.

**Customer Number for Persons:** Your customer number is your Oregon driver license (ODL), identification card (ID) or instruction permit number. Use that number on the application. If you do not have an ODL, ID card or instruction permit, DMV will assign a customer number to you when the application is received. You must use your true name on all business you conduct with DMV. This is the name you have established on your ODL, ID card or instruction permit.

**Customer Number for Businesses:** If you know your customer number for your business, list that number on the application. Businesses must also use the same name in all business they conduct with DMV.

**Residence or Business Address:** Provide the address where you primarily reside. If the owner listed is a lessee, the address of the lessee must be shown. For a business, you must provide the address of the business.

**Mailing Address:** If you receive your mail at an address other than the residence or business address, complete the mailing address on Lines 5 and 6.

**Vehicle Address:** If the vehicle is primarily housed or located at an address that is different than the residence or business address, complete the vehicle address on Lines 9 and 10. Business owners: Be careful not to confuse the vehicle address with your business address or mailing address.

**One-time Mailing Address:** If you would like the title and or registration document mailed to a one-time mailing address (other than the residence, business or mailing address), you must complete the area on Lines 9 and 10.

**Change of Address:** Only the address listed for the owner shown on Line 4 will be changed if it is different than what DMV records show. **The address will be changed on both the vehicle and driver record. Individuals will receive an address change sticker for their ODL, ID card or instruction permit.** Additional owners listed on Lines 7 and 8 must complete a Change of Address, Form 6438, and submit it separately, to change their address.

**Work Address:** If any owner listed on the application has a work address on file with DMV, that person must be listed on Line 4 and the work address listed on Lines 5 and 6. To change your address to a work address, you must be eligible pursuant to ORS 802.250 and complete a *Request for Police or Public Agency Address on DMV Records, Form 6438A*. To change your address from a work address back to your residence address, you must submit a new *Change of Address, Form 6438*.

**SCHOOL BUS REGISTRATION**

For school bus registration, I certify that use of this vehicle meets the requirements for school buses or school activity vehicles as provided in ORS Chapter 820, or by rules adopted by the Oregon Department of Education or State Board of Higher Education.

- School buses or school activity vehicles used exclusively in transporting students to or from any school or authorized school activity or function, including extracurricular activities, and to or from points designated by school, are registered with school bus plates or publicly owned plates, whichever is applicable.

**IMPORTANT NOTICE FOR VEHICLES WITH COMBINED WEIGHT OVER 26,000 POUNDS**

Vehicles subject to weight-mile tax must be registered with the Motor Carrier Transportation Division (MCTD) of ODOT. This applies primarily to vehicles with a registration weight of 26,001 pounds or more.

If you wish to register or renew a vehicle that has a registration weight of 26,001 pounds or more with DMV, you must certify the vehicle is not subject to weight-mile tax. A farm-plated vehicle must register with DMV even if it is subject to weight-mile tax while being operated under a contract farm carrier permit.

Vehicles with registration weights of less than 26,001 pounds may also be subject to weight-mile tax if the vehicle's combined weight is 26,001 pounds or more. This would include, for example, a vehicle used exclusively to tow manufactured structures, since the manufactured structure is not included in the registration weight, but is part of the combined weight. If the combined weight of your vehicle is 26,001 pounds or more, you must register with MCTD.

If you do not know if your vehicle is subject to weight-mile tax, contact the Motor Carrier Transportation Division, 550 Capitol St. NE, Salem OR 97301-2530. The telephone number is (503) 378-6699.

**CERTIFICATION**

I certify this vehicle is not required to be registered through the Motor Carrier Transportation Division and is not subject to weight-mile tax. I understand it is a crime under ORS 808.385 to certify the truth of a statement when you know the statement is not true. Such a crime is punishable by a jail sentence of up to one year, a fine up to \$5,000 or both.
